

The Galloway School

Pre-K 4 - Quarter 1

2017-2018

Welcome to Preschool. During the 1st nine weeks, we will be working on the following skills in our classroom. Your child will learn the rules and routines of school. He/She will be able to recognize the letters of his/her name, and identify letters and sounds.

English Language Arts

Word Study (Phonics)

The learner will....

- Identify name
- Identify letter names and sounds
- Identify rhyming words
- Count syllables in words

Activity: Use flashcards to practice letter recognition.

Writing

The learner will....

- Form uppercase letters using a variety of writing materials
- Form uppercase letters using a variety of hands-on materials

Activity: Engage in hands-on activities using shaving cream, markers or sand to practice forming uppercase letters.

Reading Comprehension

The learner will....

- Listen to stories for a purpose such as enjoyment or to gain information
- Identify the title, author, and illustrator of a story

Activity: Read aloud to your child every night making sure to ask your child to locate the title, author, and illustrator.

Math

The learner will....

- Use 1-1 correspondence to count objects
- Match sets of objects
- Identify one more and one less
- Count to 15

Activity: Have the student count up to 15 objects by touching each object.

Science

The learner will....

- Identify the five senses
- Identify properties of objects
- Name facts about fall weather

Activity: Have your student identify properties of objects by using the five senses.

Social Studies

The learner will....

- Identify rules in home and school
- Describe themselves in "All About Me" unit
- Identify community helpers

Activity: Have your student use complete sentences to describe himself/herself.
