

# The Galloway School

## Pre-K 4 - Quarter 2

2017-2018

*Come and take a journey with us into the 2<sup>nd</sup> nine weeks. We will be working on the following skills in our classroom. Your child will continue to learn more about books, and identify more sounds and rhyming words.*

### English Language Arts

#### Word Study (Phonics)

The learner will....

- Identify letter names and sounds
- Identify rhyming words
- Isolate sounds in words

*Activity: Use magnetic letters to practice identifying letters.*

#### Writing

The learner will....

- Form uppercase letters using a variety of writing materials
- Form uppercase letters using a variety of hands-on materials

*Activity: Continue to use shaving cream, markers or sand to practice forming uppercase letters.*

#### Reading Comprehension

The learner will....

- Select books based on interest
- Retell a favorite story
- Identify sight words

*Activity: Read aloud to your child every night and ask him/her to locate the sight words of the week in your story.*

## Math

The learner will...

- Count numbers to 15
- Represent numbers to 15
- Identify greater than and less than

*Activity: Choose two sets of objects at home and ask your child to tell you which one is greater and which one is less.*

## Science

The learner will...

- Explore energy, such as the sun's heat
- Explore the push and pull on objects
- Explore magnets

*Activity: Use a magnet to explore the push and pull on objects at home.*

## Social Studies

The learner will...

- Identify holidays and family customs
- Identify community helpers

*Activity: Discuss your family's favorite holiday.*
