

The Galloway School

Preschool - Quarter 3

2018-2019

Fly into the 3rd nine weeks with us. We will be working on the following skills in our classroom. Your child will continue to grow into a more excited learner. He/She will continue to repeat and act out favorite stories and to explore more letters. He/She will also continue exploring numbers to 15.

English Language Arts

Word Study (Phonics)

The learner will....

- Explore letters in name
- Engage in hands-on activities for letter names and sounds

Activity: Write two names using magnetic letters, making sure that one name is your child's name. Have your child identify his/her name.

Writing

The learner will....

- Explore uppercase letters using a variety of writing materials
- Explore uppercase letters using a variety of hands-on materials
- Explore writing numbers 1-15 using a variety of hands-on materials

Activity: Engage in hands-on activities using shaving cream, markers or sand to practice forming uppercase letters and numbers.

Reading Comprehension

The learner will....

- Select books based on interest
- Use movement to act out a story
- Retell a favorite part of the story

Activity: Read aloud to your child every night and ask his/her to tell the favorite part.

Math

The learner will....

- Explore making groups of 5 and 10
- Explore creating AB patterns
- Explore numbers to 15 using a variety of hands-on activities

Activity: Find various items in the home and have your student create a pattern.

Science

The learner will....

- Explore the seasons and clothing worn in those seasons
- Explore objects in the sky

Activity: Have your child identify the sun, moon, and stars.

Social Studies

The learner will....

- Explore basic needs, such as food, shelter, and clothing
- Participate in pretend play as a consumer

Activity: Choose items at home and pretend to buy and sell. Name items as needs and wants for your child.
