

The Galloway School

Pre-K 3 - Quarter 3

2019-2020

Fly into the 3rd nine weeks with us. We will be working on the following skills in our classroom. Your child will continue to grow into a more excited learner. He/She will retell favorite stories and identify more letters. He/She will also continue counting 1-15.

English Language Arts

Word Study (Phonics)

The learner will....

- Identify letters in name
- Identify letter names and sounds

Activity: Use magnetic letters to spell your name.

Writing

The learner will....

- Form uppercase letters using a variety of writing materials
- Form uppercase letters using a variety of hands-on materials
- Form numbers 1-15

Activity: Engage in hands-on activities using shaving cream, markers or sand to practice forming uppercase letters and numbers.

Reading Comprehension

The learner will....

- Select books based on interest
- Read the pictures
- Retell a favorite story
- Identify a character in the story

Activity: Read aloud to your child every night and ask his/her favorite character.

Math

The learner will....

- Make groups of 5 and 10
- Create AB patterns
- Identify numbers 11-13

Activity: Find various items in the home and have your student create a pattern.

Science

The learner will....

- Identify the seasons
- Identify objects in the sky

Activity: Observe and discuss objects in the sky during the daytime and nighttime.

Social Studies

The learner will....

- Identify basic needs, such as food, shelter, and clothing
- Participate in pretend play as a consumer

Activity: Choose items at home and sort by wants and needs.
