

The Galloway School

Pre-K 3 - Quarter 4

2019-2020

Sail into the 4th nine weeks with us. We will be working on the following skills in our classroom. Your child will continue to recognize letters and numbers. In addition, he/she will understand that print has meaning and moves from left to right and top to bottom.

English Language Arts

Word Study (Phonics)

The learner will....

- Identify letters in name
- Identify letter names and sounds

Activity: Identify letters in the real world, such as the grocery store or on street signs.

Writing

The learner will....

- Form uppercase letters using a variety of writing materials
- Form uppercase letters using a variety of hands-on materials
- Form numbers 1-20

Activity: Engage in hands-on activities using shaving cream, markers or sand to practice forming uppercase letters and numbers.

Reading Comprehension

The learner will....

- Imitate reading behaviors by moving left to right across a page and top to bottom
- Point to periods in a sentence

Activity: Ask your child where to start on a page while reading aloud.

Math

The learner will....

- Recognize numbers 1-20
- Count a set of objects

Activity: Have your child count a set of objects up to 10.

Science

The learner will....

- Identify living and nonliving things
- Explore life cycles

Activity: Have your student sort living and nonliving things found around your home.

Social Studies

The learner will....

- Identify features of various landscapes, such as shelves in the library
- Create a simple picture by drawing

Activity: Ask your child to locate features in your home.
