

The Galloway School

Preschool - Quarter 2

2019-2020

Come and take a journey with us into the 2nd nine weeks. We will be working on the following skills in our classroom. Your child will continue to explore letters, numbers, and holidays through fun and engaging activities. He/She will use movement to participate in stories.

English Language Arts

Word Study (Phonics)

The learner will....

- Explore letters in name
- Engage in hands-on activities for letter names and sounds

Activity: Use magnetic letters to write your child's name. Have your child practice tracing the letters with his/her fingers.

Writing

The learner will....

- Explore uppercase letters using a variety of writing materials
- Explore uppercase letters using a variety of hands-on materials

Activity: Continue to use shaving cream, markers or sand to practice forming uppercase letters.

Reading Comprehension

The learner will....

- Listen to stories for a purpose such as enjoyment or to gain information
- Use movement to act out a story
- Repeat a favorite part of the story

Activity: Read aloud to your child every night and create movements to act out the favorite part.

Math

The learner will....

- Engage in hands-on activities to sequence objects by color
- Identify same and different
- Explore numbers to 10 using a variety of hands-on activities

Activity: Choose two objects at home and ask your child to tell you if they are the same or different.

Science

The learner will....

- Explore energy, such as the sun's heat
- Explore the push and pull on objects

Activity: Use a magnet to explore the push and pull on objects at home.

Social Studies

The learner will....

- Explore holidays and family customs
- Engage in play as community helpers

Activity: Discuss your family's favorite holiday.
